

The Wallace Centers of Iowa developed this “Civility Pledge” as part of the 2011 Civility Dialogue Lunch series. Even if you can’t attend the lunches, we encourage you to sign the pledge, display it in a prominent location, and encourage family, friends, and co-workers to take the pledge.

CIVILITY PLEDGE

As human beings, everyone has the ability to change their words and actions. In my daily life I will:

ACKNOWLEDGE that not everyone thinks like me.

LISTEN to others.

RESPECT others and be **GENEROUS** with praise.

FIND common language.

THINK positive.

TAKE RESPONSIBILITY for mistakes.

BE KIND to others and Mother Nature
